When PFI cardholders process or request assistance concerning prescription claims, confidential health information may be shared and recorded. Health information, such as pharmacy claims data, relating to a particular individual is referred to under law as "Individually Identifiable Health Information" (IIHI). U.S. and state laws, and PFI policies, govern the protection and use of IIHI. By using your card, you acknowledge and agree that PFI may have access to and use your IIHI for purposes of the Program. PFI limits access to IIHI to persons directly involved in providing cardholder pharmacy and health enhancement services or to individuals responsible for monitoring services, providing technical or information management support, or other Program-related activities. PFI limits IIHI access to the small number of individuals required for the PFI Program. PFI provides access to individuals not involved in Program services only as specifically authorized by you or your legal representative. PFI does not sell IIHI. PFI will keep its communications and records regarding your IIHI confidential. PFI reserves the right to modify or discontinue the Program at any time and is not responsible for any services of any participating pharmacy.</small>
